Renae and I have planned for us to go to dinner at a blues and jazz restaurant in downtown Moab. Dinner is on our own. I will have reservations for all of us to eat around 6:30 PM.

We will have our business meeting on Saturday morning at 7:00AM in the hotel. I will have the tour bus pick us up around 8:00AM. This will be a short business meeting due to the length of the tour of Canyonlands National, Park Arches National Park and Dead Horse point. The tour bus will drop us back at our hotel around 4:30PM.

We are planning a short hike for those that want to up to Delicate Arch on Saturday during our tour which is about 2 1/2 miles so please bring good shoes to walk in. Delicate Arch is one of the most photographed and famous arches in all of our national parks.

Our Saturday night banquet will be at the Sunset Grill that sits up on a hill overlooking the Moab area and the beautiful red rocks. Social hour will be at 6:30 and dinner following at 7:30pm. There will be a cash bar.

There is a lot to see and do in Utah and Colorado so I hope you will all take advantage of it. Please don't hesitate to give me a call so I can give you some ideas of things to do while you are in the west before or after our spring meeting.

As you know we are a dry climate so the area at night gets pretty cool in April. Things you will need while in Moab: I suggest you bring plenty of sunscreen, hats, a rain jacket or a small jacket and a hoodie. Don't forget a camera.

Remember this is the West so causal dress is appropriate.

Sincerely,
